FL-25 CANDIDATE EDDY CONDEMNS HAMAS MURDER OF HOSTAGES

HAMAS once again showed its true colors when it cowardly murdered six hostages, including one American, held for ten months.

01 September 2024

I was shocked to hear of the tragic murders of six Israeli hostages, including American-Israeli Hersh Goldberg-Polin, who were brutally executed by Hamas in Gaza. The bodies were discovered by the Israel Defense Forces in a tunnel in Rafah, Gaza, following an extensive search operation.

The hostages Hersh Goldberg-Polin, Eden Yerushalmi, Ori Danino, Alex Lobanov, Carmel Gat, and Almog Sarusi, were abducted on October 7, 2023. Despite enduring nearly 11 months of captivity, they were senselessly killed by their captors shortly before their potential rescue.

The Biden administration refused to release US weapons to Israel to use in Rafah, needlessly micromanaging an ally's war effort and prolonging the war, causing additional casualties on both sides. While the US House of Representatives passed a bill in May 2024 to force the administration to ship the needed weapons, current FL-25 Congresswoman Debbie Wasserman Shultz voted against it.

Those calling for negotiations with Hamas should condemn this atrocity and demand the immediate release of all remaining hostages. Hamas has refused every reasonable offer of a cease fire and believe holding hostages is the only remaining leverage it has against its inevitable demise.

Leadership means putting your country's and ally's mutual interests above party politics. It's time for a change in our District and more common-sense approaches to our national security challenges.
