US Congressional Candidate Chris Eddy Receives Enthusiastic Support

Eddy is one of only a select few US Congressional candidates in Florida to get onto the ballot by obtaining signatures

12 May 2024

US Congressional Candidate Chris Eddy (FL-25) was the only Congressional candidate in Broward, and one of only a few in Florida, to qualify for the 2024 election by obtaining signatures from registered District voters. Eddy obtained over 5,000 signatures from Republicans, Democrats, and Independents to avoid paying the \$10,440 filing fee.

With fewer than 100 days before the August 20th primary election, Republican candidate Chris Eddy solidifies his votes through outreach and engagement. As an example, his campaign achieved a rare feat in getting onto the 2024 ballot by receiving support from thousands of District 25 voters.

By statute, Eddy and his team had to obtain nearly 5,000 signatures by the filing deadline. They exceeded that total with two months to spare. Eddy remarked, *“We could have obtained 8,000 signatures. We literally had people calling us asking to fill out a petition on our behalf.”*

While it may be unorthodox to do it this way, Eddy has a track record of hard work and accomplishments throughout his storied career.

Eddy remarked, *“We have just passed the 100-day mark until the August 20 primaries and I’m grateful for our volunteers who braved the heat and rain to help achieve this goal. I’m especially proud we are receiving bipartisan support with about 6% of the signatures coming from*
