# Republicans Gaining in Florida District 25

Newly released Broward County and District 25 voter registration data shows the Eddy For Congress campaign continues to gain supporters.

From January to February 2024, District Democrats lost an additional 100 voters while Republicans gained over 1,200, continuing the Democrats' downward trajectory over the past two years. Independents also increased their total by over 1,200. This continues the trend with Democrats dropping nearly 2% in the past year with those voters going to Republicans and Independents. Demographic and ideological shifts account for most of this change as District 25 residents grow increasingly concerned about the economy and national security.

Chris Eddy, a retired Air Force Reserve Brigadier General, a retired FBI Intelligence leader, an Adjunct Professor at FIU, and a City Commissioner in Weston is looking to unseat long-time Representative Debbie Wasserman Schultz.

With Republicans and Independents now representing nearly 60% of the electorate, General Eddy's common sense approach to fiscal discipline and security is resonating among voters.

DIST 25	DEM	DEM %	REP	REP %	Other	Other %	Total

12-Feb-24	177,948	40.77%	110,848	25.39%	147,712	33.84%	436,508

Broward County numbers also show a dramatic Democrat dropoff...Democrats are at their lowest percentage of registered voters since 2007.

"I think people want more normal people involved in politics and this is our chance to have someone in office who represents our District interests and not the Washington District's. I hear every day from our residents and businesses concerned about the impacts of inflation and are also worried about our security. The most common themes I hear are the unfairness of an open border and a desire to return to normalcy."

Mr. Eddy is an award-winning teacher, community leader, and a devoted husband and father. "Our kids told me to quit yelling at the TV and do something about it so I am!"

Federal primary elections will be held on August 20, 2024 with the general election on November 5, 2024.
