Dear Chris,

I am so glad you decided to run for the U.S. Congress in Florida District 25 at this critical juncture in our nation's history. Your service to our nation and communities is exemplary:

- Retired Air Force Reserve Brigadier General
- Retired FBI Miami Intelligence Leader
- Florida International University Adjunct Professor
- City Commissioner in Weston, Florida
- PhD in Leadership
- Published author of two books on leadership

In all these endeavors, you have been both a doer and a leader, not a talker and certainly not someone sitting on the sidelines. Broward County, Florida, and our beloved Nation need more people like you.

In my 36 years of military service, culminating as President Trump's Homeland Security Advisor, I saw the value of inspired leadership and sound policy, firm on the foundation of our Nation's Declaration of Independence and Constitution. We are all currently seeing the failures of weak national leaders and the tragedy of uncertain national security strategy and border policies.

I am proud to endorse and support you in your race against Congresswoman Debbie Wasserman-Schultz, who has consistently failed our national as consistently as she has voted with uber-liberal Nancy Pelosi. You are the right person at the right time to make a difference in your community, in an election when we have the historic opportunity to achieve a well-needed return to common sense and national strength, and to support the America First agenda of President Donald Trump!

Yours in Service,

Peter Brown, U.S. Coast Guard, RADM (ret.),
